

## **Community Reach Center Day Treatment Program- ESSER III Use of Funds Plan**

Through community and staff feedback and data analysis, Community Reach Center intends to implement the following programs, resources, and materials with these additional ESSER funds. The current list includes, but is not limited to, programs, resources, and materials may change with operational and student needs in response to current pandemic conditions. Community Reach Center Day Treatment has determined that lost instructional time and social/emotional, and mental health are critical areas to address.

Academic and social-emotional expenditures address the impact of lost instructional time through the implementation of evidence-based interventions and staff support as well as address the academic, social, emotional, and mental health needs of all students.

### **ESSER III Use of Funds 2021-2022**

- Evidence based SEL curriculum and resources to support students on an IEP with a disability
- Summer programming stipend for teacher
- Summer program supplies to provide mental health and social/emotional support and learning

### **ESSER III Use of Funds 2022-2023**

- Provide summer programming stipend for one added teacher
- Renew subscription for the Wide Range Achievement Test 5 (WRAT 5) online scoring system
- WRAT 5 materials to administer assessment
- Subscription for the BASC online scoring system and materials to track social/emotional progress and growth areas among students and report on IEPs
- Evidence-based curriculum and supplies to address lost instructional time and learning loss
- Professional development for teachers to support efforts for the best possible online and in-person learning
