WHO WE ARE
Community Reach Center is a top-tier non-profit behavioral health and wellness provider established in 1957 that serves people of all ages at seven outpatient offices and more than 100 community-based sites throughout Adams County, Colorado. The Center employs more than 600 highly skilled professionals currently serving more than 22,000 individuals annually.

WHAT WE DO
We provide all supportive services necessary to help children and adults achieve and sustain wellness, including a broad array of outpatient treatment options, early-childhood services, school-based programs, residential treatment, medical services, substance use disorder treatment and 24/7/365 crisis services.

HOW YOU CAN HELP
Thousands of folks served by Community Reach Center live below the national poverty line. Despite the Affordable Care Act, many don’t qualify for Medicaid or are under-insured with high co-pays and out-of-pocket expenses beyond their means. Please know how important your support is in enabling low-income people to focus on treatment and recovery.

Mary Ciancio Memorial Distinguished Service Award

The Mary Ciancio Memorial Distinguished Service Award was established in 1979 in honor of Mary's volunteerism. It is presented annually to an exemplary volunteer in Adams County.

The name Mary Ciancio was synonymous with volunteerism and advocacy on behalf of persons affected by disabilities and health challenges - the reason she became known as the “Mother of Mental Health” in Adams County.

Mary’s fundraising efforts raised hundreds of thousands of dollars for Community Reach Center.
