Appreciating Wellness and Recovery Empowerment

A place where members make friends and make a difference!

A.W.A.R.E. Center is a peer run, mental health drop-in center where members of mental health services can find an accepting community, purpose and empowerment.

Our services are rooted in the belief that members can and do recover, and that empowerment is a critical aspect of recovery.

Members are encouraged to participate in daily A.W.A.R.E. Center community meetings at whatever level they feel most comfortable, to offer input into decision making about activities and services.

Whether someone comes for lunch or takes a major leadership role at A.W.A.R.E. Center, all are welcome here!
